

The Clare Boothe Luce Policy Institute is one of the most unique organizations in America. Inspiring women, discovering leaders, changing lives, our goal is to engage, inform, and connect conservatives across the country – with a special focus on young women – who will lead and shape the future of our nation.

Through our mentoring, educational, and speakers programs, we strive to engage, inform, and connect conservative women across the country. Our seminars, conferences, website, quarterly newsletter, policy issues papers, monthly e-newsletter, and media outreach give women the resources, training, and encouragement they need to promote conservative principles on their campus and in their community.

We need your help to support these efforts. Thank you for making your most generous contribution below.

If you are making a contribution from outside of the United States, please call us toll free at 1-888-891-4288.
