

Attention Vagina Warriors:

**Use Your Brain
(the *other* sex organ)**

***The Vagina Monologues* Does
Not Help End Violence
Against Women**

Did you know the play...

- Degrades women and reduces them to their sexual organs?
- Glorifies prostitution?
- Venerates child rape (by a woman)?
- Depicts all men as adulterers, abusers, weirdos, and rapists?
- Mocks a traditional holiday that celebrates love

**Want to help stop violence against women
(and men)?**
