**Do you agree?**

**Aren't women worth more than their private parts?**

**Doesn't the issue of violence against women deserve better than this?**

**Don't buy the lie.**

***The Vagina Monologues* is not helping to end violence against women.**

**Instead, it degrades and reduces them to their sexual organs.**

**Boycott the “V-Day” movement...  
...because women are worth more.**
